**Dear Parents and Students,**

Our school is proud to join the **month-long Swachhata Abhiyan – “Delhi Ko Kude Se Azadi”** initiated by the Govt. of NCT of Delhi to promote a cleaner, greener, and more sustainable future.

#### **Key Activities**

- **Plantation Drive** – Tree plantation in school & nearby parks.
- **Cleanliness Campaign** – Clean-up of classrooms, playgrounds & local areas.
- **Anti-Plastic Drive** – Say NO to single-use plastics; recycling & collection drives.
- **Sustainability Week** – Use eco-friendly items & reduce waste.

#### **How You Can Support**

- **Students:** Carry reusable bottles & tiffins, keep classrooms tidy, adopt a clean corner in school/park.
- **Parents:** Encourage waste segregation at home, send zero-waste lunches, avoid disposables at events, join weekend clean-up/plantation drives.

#### **Role-Model Habits**

- ✓ Refillable bottles instead of plastic ones
- ✓ Cloth/steel alternatives over disposables
- ✓ Recycled stationery for daily use

Let us work together to make this campaign a way of life and truly give Delhi freedom from garbage.
